

# AGI society

HOST OF THE AGI CONFERENCE SERIES  
SINCE 2008

## OUR MISSION:

The Artificial General Intelligence Society is a nonprofit organization whose purpose is to promote the study of artificial general intelligence (AGI), and the design of AGI systems through:

Facilitate cooperation and communication among those developing AGI

Promote the study of AGI, and the design of AGI systems.

Hold conferences and meetings for the communication of knowledge concerning AGI

Produce publications regarding AGI research and development

Publicize and disseminate by other means knowledge and views concerning AGI
